Events like these are a great way to engage further with ReFrame audiences!

Please note that ReFrame does not have the capacity to coordinate logistics for post-film events/discussions (i.e. venue, food, speakers, etc.). However, we are happy to help with promotion leading up to the festival. If you would like your post-film event/discussion listed in the 2018 ReFrame Catalogue, please submit a short write-up of the event (no more than 25 words), which includes the time, location and topics to be covered. Deadline for inclusion in the Catalogue is **December 1, 2017 @ 5:00pm**.

Totally understand, thanks for the offer to help with promotion!
